Corteva, Inc. and EIDP, Inc. (the "Companies") are unable to file their Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2026 by the prescribed due date without unreasonable effort or expense as the Companies require additional time to complete certain processes and procedures related to the required reporting resulting from the spin-off of the Companies' seed operating segment completed on October 1, 2026 (the "Separation"). The Companies' spin-off, Vylor Inc. ("Vylor") is also unable to file its Quarterly Report on Form 10-Q due to the Separation.

The Companies anticipate their financial results for the quarter ending September 30, 2026 will differ significantly from the same period in the prior year due to changes in their expenses. Higher expenses are expected primarily from the activities required to complete the Separation and on-going investments within research and development. As a result, the Companies expect a higher seasonal loss as compared to the same period in 2025.

Corteva expects to issue financial results in advance of the scheduled earnings call on November 12, 2026.
